

**THE RUMORS ARE NOT TRUE!!  
A NEW LACR IS IN THE WORKS**

THERE HAVE BEEN RUMORS FLYING AROUND THAT LACR IS CLOSING AND/OR MOVING. BASED ON THESE RUMORS EVENTS LIKE "DAY IN THE DIRT" HAVE BEEN CANCELLED AT LACR. IT IS A SHAME THAT THE DECISION TO CANCEL THIS EVENT WAS BASED ON A RUMOR, HOWEVER WE WISH THE ORGANIZERS OF "DAY IN THE DIRT" GOOD LUCK IN THE FUTURE. THE TRACK WILL BE CLOSED THANKSGIVING WEEKEND, BUT WE WILL BE BUSY CREATING A NEW GP TRACK (DAY IN THE DIRT LAYOUT) WHICH WILL BE BETTER THAN WHAT WAS USED IN THE PAST. WE WILL BE USING THIS TRACK FOR OUR 'OLD TIMERS' AND 'OVER THE HILL GANG' GP ON DECEMBER 4th AND THE CRC CHRISTMAS GP ON DECEMBER 11th.

NOW, TO SQUASH THE RUMORS, HERE IS WHAT'S GOING ON. IN ABOUT SIX MONTHS WE WILL START CONSTRUCTION ON OUR NEW FACILITY AT THIS SAME LOCATION. THAT'S RIGHT, WE ARE STAYING HERE. THE LOCAL AGENCIES ARE IN FAVOR OF THE RACEWAY CONTINUING AT THIS LOCATION FOR YEARS TO COME. THE PROCESS WILL BE VERY SLOW. GRANITE CONSTRUCTION TO THE SOUTH OF US IS DIGGING IN OUR DIRECTION SO WE WILL KEEP MOVING AND SHIFTING OUR TRACKS UNTIL WE CAN START BUILDING ALL NEW TRACKS IN THE AREA THAT HAS ALREADY BEEN EXCAVATED. IN FIVE TO SIX YEARS GRANITE CONSTRUCTION WILL BE DONE AND WE WILL HAVE A LOT MORE LAND TO BUILD NEW TRACKS. THROUGHOUT THIS TRANSITION WE WILL ALWAYS HAVE A MINIMUM OF A PEE WEE TRACK AND A MAIN TRACK. THERE MAY BE PERIODS THAT WE WILL BE WITHOUT A 2nd TRACK.

THE FUTURE FOR LACR IS LOOKING BRIGHTER THAN EVER WITH A NEW BIGGER FACILITY AND ALL NEW TRACKS IN THE PLANNING STAGES. IT WILL BE A LOT OF WORK AND A SLOW PROCESS AND WE APPRECIATE EVERYONE'S PATIENCE. THANK YOU FOR SUPPORTING US OVER THE PAST TWENTY YEARS AND INTO THE NEXT TWENTY. WE WILL SEE YA AT THE RACES!!
